**“Guiding, Preparing, Succeeding”**

Dear Parents and Carers

As we near the end of 2021, we reflect on all that we have achieved over this past year. It has been a worrying time for us all since the pandemic began. It has been exceptionally challenging for Mrs Nasa and all the staff involved with the constantly changing guidance for schools and the work involved for the reopening of school following the national lockdown. In addition, I know it has been very challenging for you as parents and carers to adapt to home schooling earlier in the year, often whilst continuing to work yourselves.

The Governors have been involved and have been kept up to date on the school changes and adaptations to learning on a regular basis, and our Governing Board meetings have continued throughout the year. We have worked together to review the Schools vision and values and have continued to work strategically to ensure that all children are given the very best standard of education possible. Throughout this year, staff have also worked incredibly hard to support children and their families, not just academically but in all sorts of ways

I would like to say a huge thank you to Mrs Nasa and all staff for their dedication to the school and most importantly the children through what has been a difficult year. I would also like to thank you as parents and carers for your ongoing support.

On behalf of the Governing Body at Graiseley, I wish all of our families and school community a very happy and safe Christmas.

Jodie Richards

Chair of Governors, Graiseley Primary School
