<p>Sing a large repertoire of songs. Know many rhymes, be able to talk about familiar books, and be able to tell a long story. Listen carefully to rhymes and songs, paying attention to how they sound. Learn rhymes, poems and songs. Listen with increased attention to sounds. Respond to what they have heard, expressing their thoughts and feelings. Remember and sing entire songs. Sing the pitch of a tone sung by another person ('pitch match'). Sing the melodic shape (moving melody, such as up and down, down and up) of familiar songs. Create their own songs or improvise a song around one they know. Play instruments with increasing control to express their feelings and ideas. Listen attentively, move to and talk about music, expressing their feelings and responses. Sing in a group or on their own, increasingly matching the pitch and following the melody. Explore and engage in music making and dance, performing solo or in groups.</p>
